“Dr. Strangelove” Questionnaire

Answer all questions using complete sentences and explain your position.. One word answers will not be accepted.

1. Describe the leadership style of President Muffley. What did he do with all the bad advice that was given to him?
2. What did you think of General Turgidson..... Was he a leader or a follower? Did he show good judgment in some of the solutions that he proposed?
3. Did you think that President Muffley, as portrayed in the movie, provided good leadership?
4. Was President Muffley right to try to call back the bombers and to give the Soviets information so that they could shoot down the bombers that could not be called back? Do you think a president in his position would be forgiven by his people for such a “betrayal” ?
