Option 1: Community Service

You will need to complete a minimum of 8 hours of community service. Before you decide on your service opportunity you will need to clear it with me. There are tons of opportunities out there....reach out to Mr. Schaffer to see if there is anything you can do to help the school, give a shout to the Town Offices to see if there is anything they could use your help on, call a local retirement home and offer your company to the resident's, etc. You must volunteer at least 2 hours at a time.

You will need to have a supervisor sign your completed hour sheet in order to receive credit.

Lastly, you must write a 1-2 page reflection on the value of volunteerism in our society, paying specific mind to the economic value it holds.

-----Cut Here and Return Bottom Half-----

Your Name:

Where did you volunteer?

What were your responsibilities / duties?

Name / Contact Info (number or email) of Supervisor:
